CONTINENTAL SAVOURY

The heart of a foodie. The spirit of a traveller.

"You have to be a romantic to invest yourself, your money, and your time in cheese," said Anthony Bourdain, the maverick chef who travelled the world in the quest to explore food, and always took the road less travelled.

That's Caravan Café for you. Born out of love for food, passion for travel and the eternal romance with life, the place reflects the free-spirited and bohemian souls who live life on their own terms. It's a place where you can be yourself, relax and unwind over a long leisurely meal as you soak in the vibes of a quaint café tucked away somewhere in the alleys of Santorini, it's pristine white walls adorned with refreshing greens and vibrant bougainvillea blooms.

The word Caravan which originated from the Persian word "kârvân" signifies a group of people travelling together. In their course of travel, they share a meal and get to know each other better. And that's what we aspire Caravan Café to be. A place where friendships brew over coffee, love melts into luscious chocolates and travel plans are made over a hearty breakfast!

Welcome to Caravan Café and experience a unique food odyssey. Hop on our Caravan and let us take you on a culinary journey into the world of Continental cuisine with delicate flavours and exquisite taste.

Bon Appetit!

Inspired by the best in the world

Caravan café brings the world to your doorstep. From cuisine to ambience, the best in the world comes under one roof to celebrate the love for food, travel and the good things in life!

The interior design is inspired by European architecture and style of décor. The love for restored vintage cars prevalent in Lisbon is reflected in the remodelled 1960's Volkswagen Camper that doubles up as a serving station and a classic photo op spot. The influence of Santorini and Mykonos in Greece is visible in the dreamy white walls adorned with vibrant bougainvillee blooms. The concept of vertical garden used for landscaping buildings in the eastern part of Europe lends a lush green 'grammable' look to the café providing a soothing and therapeutic effect.

The food is an eclectic mix of global cuisine that's hand-picked for customers to experience different flavours and tastes which are characteristic to each country. Satisfy your taste buds and experience a delightful culinary journey!
